The image illustrates a three-step process for searching library records on an iPad:

- Search Results:** The first screen shows a search for '羅馬書' (Romans) with 88 results. The top result is '天子愛我:羅馬書詩意復...' (ISBN: 978-988-17-5732-6, 2009).
- Book Details:** The second screen shows the details for '天子愛我:羅馬書詩意復原譯本' (ISBN: 978-988-17-5732-6, 2009). It includes options for '加入收藏' (Add to Favorites), '預約' (Reserve), '分享' (Share), and '查看館藏' (View Collection).
- Detailed Collection:** The third screen shows the '詳細館藏' (Detailed Collection) page for the book. It lists the collection location as '圖書館' (Library), room '3樓中文區' (3rd floor Chinese area), and status '書在館' (Book in library). It also provides the call number '227.1 2126' and barcode '0032008', noting it is '不可預約' (Not reservable).
